

## 2025 Pinot Noir

*A bandit and his outlaw dog on a vinous crusade.  
Born from the rugged Hills, Crafted in the ancient Creek.  
Innovation defying the ordinary. A rebel with a cause.*

Undeniably aromatic, this is truly a smashable style of Pinot Noir. With distinctive notes of mulberry and plum, hints of dried herbs and aromas of cherries and sweet spices. A juicy, medium bodied wine with a savoury palate and long firm tannin. This is definitely a fresher, vibrant style of Pinot Noir but not lacking in structure or concentration. A fleshy, yet medium bodied palate making it very drinkable.

This Pinot Noir was made from grapes sourced from the cool end of town, vineyards that provide the ideal growing conditions for this varietal. The Southern end of the Adelaide Hills is the most unique of sites, both altitude and the cooling influence of the Southern Ocean. Aromas of cherry cola, rose and spice erupt from the glass. The palate reveals a berry fruit explosion of black cherry, cranberry, with touches of balsamic & earth tones.

Pinot Noir is the vigneron's heartache and the winemakers' holy grail. Never to be underestimated, this variety planted on the right site, in the right region and in the right hands can be a king maker.

A blend of 6 different clones, MV6, 114, 115, 777, 113 & #5, I have taken to a bit of winemaking in the vineyard with all 6 clones being co-fermented together and as one complete blend. A combination of an old Vine Improvement source block, and a block from the coldest part South Australia, it's the variation of flavours throughout the clones and sites, which adds to the complexity of this wine.

Sustainably grown grapes  
Minimal sulphur dioxide was added at bottling.  
No fining agents are used.  
This wine is Vegan friendly

14.5% Alc  
3.2 pH  
6.04 T.A

Bottle Released 1st September 2025
